

MAHJ FOR MEALS

The Year of the Dragon 2024 *Benefiting Tarrant Area Food Bank's Ready to Learn Program*

In just eight years, Mahj for Meals has raised over \$1.3 million, providing over 6.5 million meals to hungry children in our community.

History of Mahj for Meals

In 2016, the same group of dedicated Tarrant Area Food Bank supporters who launched the Friend-to-Friend letter writing campaign decided to implement a unique event called Mahj for Meals. Recognizing the need for a fundraiser that was different from the luncheon format that many attend regularly, they created an event that simultaneously allows attendees to play a game that they love and support a cause that is close to their hearts.

Daughters and granddaughters of Mahj for Meals committee members expanded and innovated the event in an effort to engage the next generation of players with support for TAFB and love for the game.

The Mahj for Meals day of events hosts 450 players who enjoy several rounds of mah jongg, cocktails, hors d'oeuvres, and prizes.

Additional benefits and amenities are provided depending on patronage.
