

Howdy Partner!

Corporate partnerships at Tarrant Area Food Bank are an essential part of fulfilling our vision of communities where everyone has access to the food they need. Every year, we provide over 60 million meals to our neighbors in need across our 13-county service area. This is possible because of your gifts and volunteerism.

We have many opportunities to build out your year of impact, including sponsoring an event, volunteering as a team, and supporting one of TAFB's programs.

Please don't hesitate to reach out with any questions you may have.

Let's make a difference together!

Thank you,

Stephen Raeside

## Get Involved

### Volunteer in Quality Control

Donated food items often need to be sorted, inspected, and packaged before they can be distributed to families in need. At our Volunteer Centers, available at our headquarters in Fort Worth and TAFB West, teams can gather to volunteer together. We have space available if you would like to host a get-together or meeting following your volunteer time.

Please complete your group interest form here: [Corporate Volunteer Experience Form](#)

### Host a Virtual Food Drive [tafb.org/food-drives](http://tafb.org/food-drives)

Want to rally your staff to give together? Groups may create a “go fund me” style page and raise funds as a team towards a common goal. Funds to buy food (at our exclusively low rates) are needed year-round, but these are especially popular during the holiday season.

### Mobile Market Sponsor & Volunteer | \$50,000

We distribute food to families on a massive scale at our Mobile Markets at key points of increased need during the year. Title sponsorship includes the ability to bring your employees out to volunteer exclusively.

### In-School Market Exclusive Sponsorship | \$50,000 for a three-year commitment

Kids in our schools need a well-balanced diet to arrive to class, *Ready to Learn*. By providing a pantry in their school, we are creating a convenient opportunity for neighbors in need to feed their entire family.

### Operational Sponsorship

It takes a fleet of top-quality gear to move 60 million pounds of food from industry donors to our Distribution Center, and out to our families in need in 13 counties. Sponsor our forklifts, trucks, and even coolers to ensure we have what we need to be there for the community.

Item	Gift	Impact
Electric Pallet Jack	\$ 5,000	Move millions of pounds of food every year, both at our warehouse and at mobile pantries sites.
Forklift	\$ 20,000	Move millions of pounds of food every year and serve as training gear for our warehouse job training program.
Cooler	\$ 50,000	Fresh protein and produce kept at ideal temperatures, providing healthy options for those in need.
Truck	\$ 100,000	Our trucks travel 250,000 miles every year to serve our 13-county area. Help us get there!
